#### GASTRONOMIC DELIGHTS

**Nature is bountiful in the Corrèze, providing delicious produce such as cep and chanterelle mushrooms, truffles, apples and strawberries.**

We've always made the most of this bounty, transforming these ingredients into traditional local specialities such as **millassous** (potato fritter) and **farcidures** (a type of potato dumpling). The region is also renowned for its gastronomic markets and duck and goose fairs – unique occasions which are well worth a visit.
